# CAUTION:

Defense sprays may take several seconds to work and may not be effective on enraged, drugged or intoxicated people or following important information:

- You should test the functioning of your unit periodically by discharging one or two short bursts outdoors in a safe area away from all persons and animals in the vicinity. Take care that you do not exhaust the contents of the unit by discharging on avoid potentially dangerous situations if you can. Always be aware of your environment and the people around you. Be especially alert after dark. Do everything you can to escape from an assailant before resorting to the use of your defense spray.

## HOW TO USE

- When you sense that you are in a potentially dangerous situation, have your unit in hand and ready to use. The finger grip design allows you to feel how the unit should be held. The flip top safety cap will prevent access to the actuator button if you're holding the unit backwards. These features help you properly orient the unit, even in the dark or under stress, so it's ready for use when needed.
- Slip your thumb under the flip-top safety cap and be ready to spray the assailant by pressing down on the actuator button with your thumb.
- Point and spray short bursts at the facial area of your assailant. The formulation is most effective on contact with the eyes. Continue to spray until the attacker is incapacitated, then move to a safe place as quickly as possible. Do not attempt to take the attacker into custody—you may be injured if you do. Contact the police when you are safely away.
- The unit is designed to be actuated in short bursts aimed at the face. When actuated, the irritant agent will issue from the unit in the upright position only. Use the unit in the upright position only, otherwise it may not function properly then or afterwards.

## FIRST AID

- Remove contact lenses and contaminated clothing should be cleaned prior to use to prevent skin injury.
- Flush contaminated area with large quantities of cool water or a diluted baking soda solution and expose the area to fresh air as soon as possible.
- Do not apply salves, creams, oils or lotions as they can trap the irritant agent against the skin and result in blisters or burns.
- Consult a physician if irritation persists.

## LEGAL REQUIREMENTS

Possession and/or use of defense sprays may be regulated or prohibited by law in some jurisdictions. If there is any question, check with your local police department. Under current FAA regulations, this unit is able use. This warranty gives you specific

permitted in checked baggage only. Do not carry this unit on your person or stow in your carry on baggage. For additional information, please visit [www.faa.gov](http://www.faa.gov). This unit is designed for defensive purposes only and may not be possessed or used by a person under the age of 18.

## SAFETY AND STORAGE

In light of the potential for serious skin irritation and, in extreme cases, of first and second degree burns, it is important to keep your unit out of the reach of children and irresponsible adults. Do not store it in an environment where the temperature may exceed 120°F as the unit may leak from over pressurization and fail to function properly. Each unit is marked with an expiration date, after which it should be discarded. Dispose of in accordance with state, local and federal regulations. Do not puncture the unit since it is under pressure and will discharge if punctured. Do not incinerate or place the unit in an environment where the temperature may exceed 120°F.

## LIMITED WARRANTY

Mace Personal Defense, Inc. warrants that your unit shall be free from defects in materials and workmanship which arise prior to the expiration date shown on the unit. Any implied warranties, including those of Merchantability or fitness for a particular purpose are also limited to the expiration date shown on the unit and for any purpose other than self-defense or a criminal offense under the law. The contents are dangerous—use with care. This device shall not be sold by anyone other than a licensed or authorized dealer. Possession of this device by a person under the age of 18 is illegal or a felony or assault is illegal. Violators may be prosecuted under the law. **PRECAUCIÓN: El aerosol de pimiento para defensa personal puede tomar algunos segundos en funcionar y quizás no sea un método efectivo de defensa contra gente enfurecida, drogada o intoxicada o contra asaltantes armados. Por favor lea la siguiente información importante:**

- Usted debe probar periódicamente, a los baños de agua fría, el funcionamiento de su unidad. Tenga cuidado de no descargar completamente la unidad con la cual comercializamos como defensa.
- Sumergir protecciónes vestimentales potencialesmente peligrosas en lo posible. Siempre sea consciente de lo que pasa a su alrededor y de la gente que lo rodea. Este espedalmente la hora de la noche.
- Haga todo lo posible por escapar de un asaltante antes de recurrir al uso de su aerosol de pimiento.

## INSTRUCCIONES DE USO

Cuando sienta que estás en una situación potencialmente peligrosa, mantenga la unidad a mano y lista para usar. El diseño de la empuñadura ayuda a saber como utilizarla y lista para usar. El diseño de seguridad abatible y este listo para atacar a su asaltante presionando el botón de liberación de aerosol con su dedo pulgar. Apunte y rocíe descargas intermitentes cortas sobre el rostro de su asaltante. La fórmula es más efectiva al entrar en contacto con los ojos. Continúe rodando hasta que su asaltante quede incapacitado, luego retire. En el caso que la unidad falle en funcionar a causa de defectos en el material o fabricación, MPD reemplazará la unidad defectuosa, dentro de los 60 días posteriores a la fecha de expiración. El envase y cualquier etiqueta de descargas intermitentes alcanzará entre los 2.4 m y los 3.6 m de distancia. Evite rociar directamente de frente al viento. Utilice la unidad en posición vertical solamente, de lo contrario, se corre el riesgo de que la unidad no funcione debidamente al momento de usarse o en el futuro.

## PRECAUCIÓN: el no cumplir con las siguientes instrucciones, puede resultar en serias quemaduras de primer o segundo grado, irritación de la piel, descoloración y otros daños a la piel.

Remueva inmediatamente el contacto y la ropa contaminada inmediatamente. La ropa contaminada debe ser lavada antes de usarse nuevamente para prevenir daños a la piel. Enjuague el área contaminada con grandes cantidades de agua fresca o bicarbonato de sodio disueltos y exponga el área al aire fresco lo antes posible. NO APlique UNGÜENTOS, CREMAS, ACEITES O LOCIONES, ya que puede atrapar los agentes irritantes contra la piel causando quemaduras y ampollas. Consulte a un médico si la irritación persiste.

**REQUERIMIENTOS LEGALES**

La posesión y uso de los aerosoles para defensa personal pueden estar regulados o prohibidos por ley en algunas jurisdicciones. Si tiene dudas, consulte con el departamento de policía local. Bajo las regulaciones actuales del FAA (Federal Aviation Administrations por sus siglas en inglés), esta unidad está permitida ser transportada en las maletas de equipaje, esta unidad está permitida en vuelos internacionales. Para más información visite la página [www.faa.gov](http://www.faa.gov). Esta unidad está diseñada con el propósito de servir como defensa personal solamente y no puede aplicarse a personas menores de edad.
